Our Roots: A Celebration of
Who We Are

Welcome to *BYU* Education Week

Look unto me in every thought; doubt not, fear not. —Doctrine and Covenants 6:36

We are pleased to welcome you to BYU Education Week, a program now in its 96th year, offering more than 1,000 classes to strengthen and enrich your life! Education Week brings together 240 presenters, more than 600 volunteers, and hundreds of BYU employees to provide a unique, outstanding educational experience.

This year's theme—**Look unto me in every thought; doubt not, fear not**—is taken from Doctrine and Covenants 6:36. In relation to this admonition from the Lord, President Russell M. Nelson taught, “Our focus must be riveted on the Savior and His gospel. It is mentally rigorous to strive to look unto Him in every thought. But when we do, our doubts and fears flee” (“Drawing the Power of Jesus Christ into Our Lives,” *Ensign*, May 2017). This week is designed to bless and enrich both you and the people in your life. As you reflect on what you learn, we hope you will keep the Savior in your thoughts and press forward with confidence and optimism.

Education Week presentations are designed for youth and adults, women and men, and single and married individuals. With classes available in a great variety of subjects—gospel principles, the arts, family and marriage relationships, finance, personal development, technology, health, and many others—you have an opportunity to learn much that will motivate, encourage, strengthen, and rejuvenate. We are confident that as you attend the program and benefit from the resources and atmosphere of Brigham Young University, you will have a rewarding and uplifting experience.

Sincerely,

H. Bruce Payne, *Program Administrator*

Erika M. Zeiner, *Program Assistant*

Maddi Luczak, *Student Assistant*

Advice from Longtime Education Week Attendees

- **Mark first- and second-choice** class preferences for each hour.
- **Bring a light sweater**—some classrooms are cooler than others. And wear comfortable shoes!
- **Carry a small notebook** or tablet for class notes. Rather than trying to write down everything, write the things that are most meaningful to you.
- **Expand your interests** and take advantage of new learning opportunities by attending one or two classes each year that you would not typically choose.
- **Visit with the people** around you. It's a good way to get to know good people, and they may recommend great classes you might otherwise miss.
- **Avoid restroom lines** by using facilities in buildings and on floors where classes are not held.
- **Ask a friend or family member to drop you off** at BYU each day. If this is not possible, save time by parking west of the stadium and taking a shuttle.
- **Ride the new rapid transit** Utah Valley Express (UVX), see rideuta.com for details.

Classroom Etiquette

The following guidelines show respect and courtesy for everyone and provide a pleasant atmosphere during Education Week.

- Remember to silence your cell phone before class begins.
- Please follow the directions of the hosting staff—they help maintain the order needed for a successful program.
- Remember that classes are first-come, first-served, and saving seats is not permitted.
- Position your name badge so the hosting staff can readily see it.
- Other than water, please do not eat or drink in the classrooms.
- Lectures may not be recorded or transmitted. Taking photographs during a lecture is discouraged—it distracts the presenter and those around you.
- Ask questions or make comments only when invited to do so by the presenter.
- Refrain from asking presenters about their published works. The BYU Store carries items recommended by presenters for Education Week students.
- Please do not leave class early or applaud after testimonies.

Thank you!
We hope you enjoy Education Week.

GENERAL INFORMATION

DRESS STANDARDS

Participants are asked to uphold BYU standards of dress and conduct while attending Education Week. The dress and grooming of men, women, and youth should be neat, clean, and modest, consistent with the standards of Brigham Young University and The Church of Jesus Christ of Latter-day Saints. Clothing should be modest in fabric, fit, style, and length. Clothing which is sleeveless, strapless, or revealing is not acceptable. Skirts, dresses, and shorts should be knee length or longer. See the Education Week website for details.

ASSESS YOUR HEALTH

Before attending the program, please carefully assess your health condition in light of the heat, altitude, large crowds, stairs, and possible long walking distances between classes.

EMERGENCY HEALTH CARE

For the most immediate emergency response while at the program, call 801-422-2222 to reach BYU Police, or call 911 for emergency services. The Student Health Center (SHC) is available to Education Week students in case of accident or sudden illness. Regular business hours are 8:00 a.m. to 5:30 p.m. Monday through Friday, and 8:00 a.m. to noon on Saturday. Proof of Education Week registration is required to receive health services. You must pay for treatment when you receive it. The Student Health Center is not a Medicare or Medicaid provider.

INFORMATION DESKS

Information desks are located at the WSC Garden Court, Marriott Center, and several outdoor locations across campus. Hosting staff can also help you.

INFORMATION UPDATES

Daily updates, available Tuesday through Friday mornings at the information desks, list class changes and other important information and events of the day.

FOOD AND DRINK IN CLASSROOMS

With the exception of the Marriott Center, food and drink may not be consumed in classrooms. Water bottles are permitted in all classrooms.

NO RECORDING OF LECTURES

Lectures may not be recorded or transmitted. Taking photographs during a lecture is discouraged because it distracts both the presenter and others around you.

CELL PHONES

Please be considerate by silencing your phone and not using it in the classroom.

IMPORTANT INFORMATION ABOUT FINANCIAL CLASSES

Information presented in BYU Education Week financial classes is intended to be general information to help you make better-informed decisions and should not be relied upon as a substitute for professional advice regarding your financial planning. Before you make any investment (or other financial commitment, including insurance), you should consult with your own financial advisor. Neither BYU Education Week nor Brigham Young University accepts any responsibility for decisions students make based on information presented in these classes.

PERSONAL COUNSELING REQUESTS

You are welcome to speak with faculty members after their presentations; however, please do not ask for personal counsel, advice, or help from the faculty. Individuals should seek counsel from their local priesthood leaders or clergy regarding personal problems or concerns.

LOST AND FOUND

Found items, including Education Week name badges, should be taken to the hosting table of the building in which they are found. At the end of each day, all items are taken to the BYU Lost and Found office (1131 WSC, 801-422-3024). Hours are Monday through Friday, 9:00 a.m. to 5:45 p.m., and Saturday from 8:00 a.m. to noon.

NO PRIVATE VENDORS OR FLYERS

Distribution of flyers or advertising brochures of any type is prohibited on university property. Likewise, private vendors are not allowed on university property.

HELP WITH DISABILITIES

BYU is committed to providing reasonable accommodations for people with qualified disabilities. Before registration and at least 30 days before the program begins, discuss your individual situation with the program coordinator. Standard LDS hearing-impaired receivers on the "red" channel (channel A) work in the Marriott Center. If you bring a personal receiver, headset, and batteries, your set will operate in the Marriott Center. If you need technical help with your set, see the engineers at the sound booth inside Portal H. Several buildings on campus are also set up for receivers, which may be checked out from 2170 WSC.

PUBLIC ACCESS COMPUTERS

Computers are available in 1111 WSC and in the HBLL Learning Commons (near the Information and Help Desk on the main floor) from 8:00 a.m. to 5:00 p.m., Monday through Friday.

INTERNET ACCESS

Education Week participants have free guest access to the Internet via wireless network in most academic buildings (including the WSC), classrooms, and student common areas on campus. This service is not available in student housing residences except in the common areas. Education Week makes no guarantee of service. The guest wireless network is an unsecured connection; participants are advised to use caution when sending confidential information over a wireless network. To connect to the wireless network, choose BYU GUEST or BYU-WiFi from the list of available networks on your mobile device. You will be prompted to agree to the terms of service for guest access every 24 hours. No password is needed to access BYU GUEST or BYU-WiFi.

PROGRAM EVALUATIONS

Education Week welcomes participant feedback and suggestions. Submit an online evaluation of your Education Week experience at educationweek.byu.edu between August 20 and September 12, 2018.

TRANSPORTATION AND PARKING

Education Week parking is available in specified lots on campus and is marked on the map on pages 34–35. Please park only in these areas and within painted stalls, not along unpainted curbs. Your vehicle should not extend over the lines dividing the stalls, either on the sides or in front. Cars are not allowed to park in designated motorcycle areas or travel lanes. Your vehicle may be ticketed or towed if you park in areas other than those indicated on the map, if it is parked in a stall designated for another purpose, if it is occupying more than one parking space, or if it is along an unpainted curb in a travel lane. Disability Parking requires a state-issued handicap plate or permit.

Please do not park in neighborhoods north of the Marriott Center or east of 900 East. Ample parking is available in the lot west of LaVell Edwards Stadium at 1700 North 150 East. Shuttle buses run continuously from that parking lot to campus.

RV PARKING

We encourage you to stay in local campgrounds designed for RVs. While it is not encouraged, RVs are permitted to park in lot 37, north of the Indoor Practice Facility (see map). RV parking is restricted both day and night to this lot only. RV parking on campus is available for completely self-contained RVs only and is permitted beginning Saturday, August 18, on a first-come, first-served basis. Lot 37 is a parking lot only; there are no restrooms, showers, hookups, or dump sites. Restrooms and showers in student housing and locker room areas may not be used by participants staying in RVs. We also ask that you not bring pets onto campus property. When using the parking area, you must keep it free of litter, assure that your vehicle does not leak, keep awnings contained so traffic is not impeded, be sure you do not attach anything to structures, fixtures, surfaces, or electrical sources, and keep RVs inside parking stalls as much as possible. Shuttle vans run between lot 37 and main campus.

COURTESY SHUTTLE VANS

Primarily to assist senior and disabled students, courtesy vans run between specified campus locations from 7:45 a.m. to 4:45 p.m. on Monday; 7:45 a.m. to 10:00 p.m. (or until after the evening performances) on Tuesday, Wednesday, and Friday; and 7:45 a.m. to 11:00 p.m. on Thursday (see map on pages 34–35). Van routes take participants to key destination points, but they cannot take you directly to the door. You are responsible for moving from class to class or to a parking lot or residence hall. Shuttles run regularly between perimeter parking lots and the main campus; shuttles also run directly from the West Stadium Lot to campus. Van stops are marked on the campus map on pages 34–35, and large, detailed route maps are posted at each van stop and at Education Week information desks. Buses that run between the West Stadium Lot, the Marriott Center, and the Wilkinson Center are wheelchair-accessible. One

wheelchair-accessible van is available. To contact the driver of this van, call 385-335-3143 and tell the driver at which shuttle stop you are located.

AIRLINE FLIGHTS and GROUND TRANSPORTATION

Airline flights may be arranged through BYU Travel Management Services at 801-422-3872. Mention that you are attending Campus Education Week. **Express Shuttle** (800-397-0773) has multiple fleet vehicles and offers ground transportation from the Salt Lake City International Airport to the Provo area. **Riverwoods Shuttle** (801-691-0978) offers ground transportation from both the Salt Lake and Provo airports.

HOTELS and MOTELS

Information about hotels and motels in the Provo area is available at educationweek.byu.edu. BYU Travel Management Services (801-422-3872) also provides lodging information and can help you make hotel reservations.

DINING

See page 33 for information.

COUGAR CASH CARD

Cougar Cash cards may be purchased by Education Week participants when they register for the program between March 28 and July 27. They will be available for purchase the week of the program at the Helaman Halls Creamery. Cougar Cash is a debit card that begins with an initial deposit of \$50. The account balance is decreased each time you use the card. It is a fast, convenient way to purchase food and merchandise across campus, including at vending machines.

However, Cougar Cash is not valid at Marriott Center vendors. You may add funds to your Cougar Cash account at the Helaman Halls Creamery or at the Cougar Cash kiosk in the WSC Cougareat. Participants staying in campus housing can pick up their Cougar Cash cards at their assigned housing area at check-in. Cougar Cash cards are mailed the second week of August to participants staying off campus. **NOTE: Cougar Cash accounts are closed at midnight on Saturday, August 25. Unused balances and unclaimed Cougar Cash cannot be refunded after Education Week begins.** However, the balance on Education Week Cougar Cash accounts may be transferred to a BYU student's account if done by 5:00 p.m. on Friday, August 24, at the BYU ID Center (1057 WSC).
