Welcome to BYU Education Week
Building Our Foundation upon Christ (Helaman 5:12)

We are pleased to welcome you to BYU Education Week, a program now in its 97th year, with more than 1,000 classes to strengthen and enrich your life! Education Week brings together 240 presenters, more than 600 volunteers, and hundreds of BYU employees to provide a unique, outstanding educational experience.

This year’s theme—Building Our Foundation upon Christ—is taken from Helaman 5:12. President Russell M. Nelson taught, “Without our Redeemer’s infinite Atonement, not one of us would have hope of ever returning to our Heavenly Father. Without His Resurrection, death would be the end. Our Savior’s Atonement made eternal life a possibility and immortality a reality for all” (“Revelation for the Church, Revelation for Our Lives,” Ensign or Liahona, May 2018). The classes at Education Week are intended to testify of these marvelous truths and help us build our sure foundation upon “the rock of our Redeemer” (Helaman 5:12). As you reflect on what you learn, we hope that it will bless you and your family by providing hope and joy in the future.

Education Week presentations are designed for youth and adults, women and men, single and married individuals. With classes available in a great variety of subjects—gospel principles, the arts, family and marriage relationships, finance, personal development, technology, health, and many others—you have an opportunity to learn much that will motivate, encourage, strengthen, and rejuvenate. We are confident that as you attend the program and benefit from the resources and atmosphere of Brigham Young University, you will have a rewarding and uplifting experience.

Sincerely,

H. Bruce Payne, Program Administrator

Advice from Longtime Education Week Attendees

- **Mark first- and second-choice** class preferences for each hour.
- **Bring a light sweater**—some classrooms are cooler than others. And **wear comfortable shoes**!
- **Carry a small notebook** or tablet for class notes. Rather than trying to write down everything, write the things that are most meaningful to you.
- **Expand your interests** and take advantage of new learning opportunities by attending one or two classes each year that you would not typically choose.
- **Visit with the people** around you. It’s a good way to get to know good people, and they may recommend great classes you might otherwise miss.
- **Avoid restroom lines** by using facilities in buildings and on floors where classes are not held.
- **Ask a friend or family member to drop you off** at BYU each day. If this is not possible, save time by parking west of the stadium and taking a shuttle.
- **Ride the new rapid transit** Utah Valley Express (UVX) for free. See rideuta.com for details.

Classroom Etiquette

The following guidelines show respect and courtesy for everyone and provide a pleasant atmosphere during Education Week.

- Remember to silence your cell phone before class begins.
- Please follow the directions of the hosting staff—they help maintain the order needed for a successful program.
- Remember that classes are first-come, first-served, and saving seats is not permitted.
- Position your name badge so the hosting staff can readily see it.
- Other than water, please do not eat or drink in the classrooms.
- Lectures may not be recorded or transmitted. Taking photographs during a lecture is discouraged—it distracts the presenter and those around you.
- Ask questions or make comments only when invited to do so by the presenter.
- Refrain from asking presenters about their published works. The BYU Store carries items recommended by presenters for Education Week students.
- Please do not leave class early or applaud after testimonies.

Thank you!
We hope you enjoy Education Week.

GENERAL INFORMATION

DRESS AND CONDUCT STANDARDS
Participants are asked to uphold BYU standards of dress and conduct while attending Education Week. The dress and grooming of men, women, and youth should be neat, clean, and modest, consistent with the standards of Brigham Young University and The Church of Jesus Christ of Latter-day Saints. Clothing should be modest in fabric, fit, style, and length. Clothing that is sleeveless, strapless, or revealing is not acceptable. Skirts, dresses, and shorts must be knee-length or longer. See the Education Week website for details.

ASSESS YOUR HEALTH
Before you decide to attend the program, please carefully assess your health condition in light of the heat, altitude, large crowds, stairs, and possible long walking distances between classes.

EMERGENCY HEALTH CARE
For the most immediate emergency response while at the program, call 801-422-2222 to reach BYU Police, or call 911 for emergency services. The Student Health Center (SHC) is available to Education Week students in case of accident or sudden illness. Regular business hours are 8:00 a.m. to 5:30 p.m. Monday through Friday. Proof of Education Week registration is required to receive health services. You must pay for treatment when you receive it. The Student Health Center is not a Medicare or Medicaid provider.

INFORMATION DESKS
Information desks are located at the WSC Garden Court, Marriott Center, and several outdoor locations across campus. Hosting staff can also help you.

INFORMATION UPDATES
**New for 2019:** Program updates will be posted on the Education Week website. This allows us to provide up-to-date information that is accessible for attendees at any time. We recommend that you check it daily for a list of class changes and other important information.

FOOD AND DRINK IN CLASSROOMS
With the exception of the Marriott Center, food and drink may not be consumed in classrooms. Water bottles are permitted in all classrooms.

NO RECORDING OF LECTURES
Lectures may not be recorded or transmitted. Taking pictures during a lecture is permitted, but please turn off the flash and be courteous of the presenter and others around you.
CELL PHONES
Please be considerate by silencing your phone and not making calls in the classroom.

IMPORTANT INFORMATION ABOUT FINANCIAL CLASSES
Information presented in BYU Education Week financial classes is intended to be general information to help you make better-informed decisions and should not be relied on as a substitute for professional advice regarding your personal financial planning. Before you make any investment (or other financial commitment, including insurance), you should consult with your own financial advisor. Neither BYU Education Week nor Brigham Young University accepts any responsibility for decisions students make based on information presented in these classes.

PERSONAL COUNSELING REQUESTS
You are welcome to speak with faculty members after their presentations; however, please do not ask for personal counsel, advice, or help from the faculty. Individuals should seek counsel from their local priesthood leaders or clergy regarding personal problems or concerns.

LOST AND FOUND
Found items, including Education Week name badges, should be taken to the hosting table of the building in which they are found. At the end of each day, all items are taken to the BYU Lost and Found office (1131 WSC, 801-422-3024). Hours are Monday through Friday, 9:00 a.m. to 5:45 p.m., and Saturday from 8:00 a.m. to noon.

NO PRIVATE VENDORS OR FLYERS
Distribution of flyers or advertising brochures of any type is prohibited on university property. Likewise, private vendors are not allowed on university property.

HELP WITH DISABILITIES
BYU is committed to providing reasonable accommodations for people with qualified disabilities. Before registration and at least 30 days before the program begins, discuss your individual situation with the program coordinator. Standard LDS hearing-impaired receivers on the “red” channel (channel A) work in the Marriott Center. If you bring a personal receiver, headset, and batteries, your set will operate in the Marriott Center. If you need technical help with your set, see the engineers at the sound booth inside Portal H. Several buildings on campus are also set up for receivers, which may be checked out from 2170 WSC.

INTERNET ACCESS
Education Week participants have free guest access to the internet via wireless network in most academic buildings (including the WSC), classrooms, and student common areas on campus. This service is not available in student housing residences except in the common areas. Education Week makes no guarantee of service. The guest wireless network is an unsecured connection; participants are advised to use caution when sending confidential information over a wireless network. To connect to the wireless network, choose BYU-WiFi or BYUGUEST from the list of available networks on your mobile device. You will be prompted to agree to the terms of service for guest access every 24 hours. No password is needed to access BYU-WiFi or BYUGUEST.

PROGRAM EVALUATIONS
Education Week welcomes participant feedback and suggestions. Submit an online evaluation of your Education Week experience at educationweek.byu.edu between August 19 and September 11, 2019.

TRANSPORTATION AND PARKING
PARKING ON CAMPUS
Education Week parking is available in specified lots on campus and is marked on the map on pages 34–35. Please park only in these areas and within painted stalls, not along unpainted curbs. Your vehicle should not extend over the lines dividing the stalls, either on the sides or in front. Cars are not allowed to park in designated motorcycle areas or travel lanes. Your vehicle may be ticketed or towed if you park in areas other than those indicated on the map, if it is parked in a stall designated for another purpose, if it is occupying more than one parking space, or if it is along an unpainted curb in a travel lane. Disability Parking requires a state-issued handicap plate or permit. Please do not park in neighborhoods north of the Marriott Center or east of 900 East. Ample parking is available in the lot west of LaVell Edwards Stadium at 1700 North 150 East. Shuttle buses run continuously from that parking lot to campus.

RV PARKING
We encourage you to stay in local campgrounds designed for RVs. While not encouraged, RVs are permitted to park in lot 37, north of the Indoor Practice Facility (see map). RV parking is restricted both day and night to this lot only. RV parking on campus is available for completely self-contained RVs only and is permitted beginning Saturday, August 17, on a first-come, first-served basis. Lot 37 is a parking lot only; there are no restrooms, showers, hookups, or dump sites. Restrooms and showers in student housing and locker-room areas may not be used by participants staying in RVs. We also ask that you not bring pets onto campus property. When using the parking area, you must keep it free of litter, ensure that your vehicle does not leak, keep awnings contained so traffic is not impeded, be sure you do not attach anything to structures, fixtures, surfaces, or electrical sources, and keep RVs inside parking stalls as much as possible. Shuttle vans run between lot 37 and the main campus.

PUBLIC TRANSPORTATION
Call 888-743-3882 or visit www.rideuta.com for bus and train route time schedules and information.

We strongly encourage you to use the new bus rapid transit system, Utah Valley Express (UVX), Route 830X, which runs through Provo and Orem.

The benefits of riding Utah Valley Express:
• It is currently FREE to ride. Other routes require a fare.
• No need to bring a car to campus.
• Buses arrive at each station every 6 to 10 minutes from 7:00 a.m. to 8:00 p.m. on weekdays. The early morning and late evening routes, from 5:00 to 7:00 a.m. and from 8:00 to 11:00 p.m., arrive at each station every 15 minutes. See www. rideuta.com for weekend times.
• Buses stops include three stations on campus:
  • the BYU Stadium Station near the Marriott Center
  • the BYU North Campus Station near the BYU Conference Center
  • the BYU South Campus Station just 300 yards south of the Wilkinson Student Center

• Each end of the UVX route—the Provo Central Station and the Orem Central Station—is a connecting point to FrontRunner, UTA’s commuter rail system that has trains running between Ogden and Provo. BYU is just a 23-minute bus ride from either of these stations.

COURTESY SHUTTLE VANS
Primarily to assist senior and disabled students, courtesy vans run between specified campus locations from 7:45 a.m. to 4:45 p.m. on Monday and from 7:45 a.m. to 10:00 p.m. (or until after the evening performances) on Tuesday through Friday (see map on pages 34–35). Van routes take participants to key destination points, but they cannot take you directly to the door. You are responsible for moving from class to class or to a parking lot or residence hall. Shuttles run regularly between perimeter parking lots and the main campus; shuttles also run directly from the West Stadium Lot to campus. Van stops are marked on the campus map on pages 34–35, and large, detailed route maps are posted at each van stop and at Education Week information desks. Buses that run between the West Stadium Lot, the Marriott Center, and the Museum of Art (adjacent to the Harris Fine Arts Center) are wheelchair accessible. One wheelchair accessible van is available. To contact the driver of this van, call 385-335-3143 and tell the driver at which shuttle stop you are located.

AIRLINE FLIGHTS AND COMMERCIAL TRANSPORTATION
Airline flights may be arranged through BYU Travel Management Services at 801-422-3872. Mention that you are attending BYU Education Week. Express Shuttle (800-397-0773) has multiple fleet vehicles and offers ground transportation from the Salt Lake City International Airport to the Provo area. Riverwoods Shuttle (801-691-0978) offers ground transportation from both the Salt Lake and Provo airports. Another option to get from the Salt Lake International Airport to BYU campus is to use public transportation. Board a train at the Airport Station, transfer to FrontRunner at the North Temple Station, transfer to the free UVX rapid transit bus at the Orem Central Station and ride to the BYU Stadium stop or the BYU North Campus stop. Get detailed help by using the Trip Planner at www.rideuta.com.

HOUSING
ON-CAMPUS HOUSING
Housing registration began on April 10, and as of the date of this publication, Women’s Housing and Family Housing are full. A limited number of Men’s Housing spots will be available through August 9 or until filled.

HOTELS AND MOTELS
Information about hotels and motels in the Provo area is available at educationweek.byu.edu.

BYU DINING GIFT CARD
While Cougar Cash cards have been discontinued, a new BYU Dining Gift Card will be available when you arrive on campus. These dining gift cards
• are nonrefundable but have no expiration date and can be used throughout the year;
• give a discount on meals at the Cannon Commons;
• can be used at all BYU Dining locations (other than Concessions and non-BYU vendors, and are not valid at off-campus locations);
• can be loaded in increments of $25 at the time of purchase;
• can have additional funds added in increments of $25;
• cannot be deactivated or replaced if lost since the card is not linked to a particular person; and
• cannot be used for purchases at the BYU Store.

The BYU Dining Gift Cards will be available for purchase during Education Week at BYU Creamery stores (except Wyview Creamery) and at the Cougar Express convenience store located in the Wilkinson Student Center across from the elevators on the 2nd floor. These cards are not available for purchase through Education Week’s registration system. (See Dining Options on page 33.)
